**Please select which option is preferred.**     Option 1    **OR**     Option 2

**Option 1**

- 30 Minute Fitness Assessment at Worksite
- Exercise physiologist will prepare a personalized exercise program for each participant and a copy of Yourself Fitness (computerized personal training) or other tools will be provided as appropriate for the participant's specific fitness level. Participants having access to a worksite fitness facility will not receive a tool.

A personal trainer will assist the individual with the implementation of their fitness plan if the worksite has a fitness facility.

**OR**

**Option 2**

- 15 Minute Fitness Assessment at Worksite
- Exercise class with a credentialed instructor will then be made available after the initial fitness assessments have been completed.
- Classes will meet once weekly for 8 weeks at the worksite.
- Limit of 15 people per worksite
- A minimum weekly attendance of 5 individuals per exercise class is required
