

## **Worksite of the Month: December 2006**

### **Bridgeport High School**

Bridgeport High School has been participating in the Pathways to Wellness Program since 2004. This worksite recently concluded a behavior change program with a successful completion rate of 83%. In 2006, the worksite coordinator successfully aided in the recruitment of two Harrison County fitness facilities joining the PEIA Fitness Discount Program. Bridgeport High School was also recently chosen as the North Central Region pilot worksite for the new PEIA Fitness Assessment Program.
