

Worksite of the Month: February 2010

WV DOH – Lewisburg (Greenbrier County)

The worksite coordinator is Scherry Bostic. The Lewisburg DOH has over 60% participation in their health screening annually. They normally have some form of wellness programming on-going at all times. They just concluded the *Weigh To Go* program. The overall average gain for the entire worksite was only .5 pounds during the 2009 holiday season.
