

Worksite of the Month: June 2007

Winfield Elementary School – Putnam County

Winfield Elementary is very active worksite in regards to wellness. They are very involved in the Pathways to Wellness behavior change programs as well as community activities such as the Susan G. Komen Race for the Cure. The worksite coordinator, Ruth Ann Zoeller, attended the annual worksite coordinator training in Flatwoods and has encouraged her worksite to become more active by offering several programs throughout the year. Ruth Ann is a great leader and advocate for health and wellness. She is the reason why Winfield Elementary is leading the way in health and wellness and is a shining example of how successful a worksite can be in the Pathways to Wellness Program.
